

Two Bostons Share the Love 2012

Join us this February as we Share the Love with a food drive for people and pets at Two Bostons! We will match the weight of the donated "people" food in dry kibble and donate it to a rescue group.

How can you help us Share the Love?

First, bring a canned or non-perishable boxed "people" food item to either Two Bostons location between February 1st and February 14th. The "people" food will be donated to **Loaves & Fishes**.

Then, go to our Facebook page www.facebook.com/twobostons, "like" us, and tell us which one of these great rescue groups should win the pet food donation by voting for them in our Facebook poll.

**Please note that should the winning rescue group be unable to handle the amount of food we end up being able to donate due to your generosity, they will donate the excess to Loaves & Fishes which accepts pet food as well.*
