## **Volunteers Needed for Tax Season**

***Looking for a different kind of volunteer work? For this coming tax preparation season, from January to April 15, 2012, Loaves & Fishes Community Pantry will serve as a community location for IRS-sponsored Volunteer Income Tax Assistance (VITA) services.***

The VITA program offers free tax help for low to moderate income (\$49,000 and below) households that cannot prepare their own tax returns. As a trained community volunteer, you will learn the skill of tax preparation and then help share your knowledge with the community. With your assistance, these families will avoid the cost of tax preparation and receive their refunds quickly.

Volunteers do not need accounting experience. All that's required is a desire to help others who cannot prepare their basic tax returns or afford to pay a preparer. VITA volunteers will participate in training sessions – in class, online, or through self-study – to learn basic tax preparation and information on tax credits and exemptions. Once certified, volunteers are then ready to assist individuals at the pantry within a flexible schedule. All volunteers will be supported by an on-site certified tax professional.

If you're considering this opportunity and would like to know more, please contact Loaves & Fishes Community Pantry and attend one of these orientation sessions:

**Saturday, NOVEMBER 12: 1:00 – 2:00 PM**

**Tuesday, NOVEMBER 15: 6:30 – 7:30 PM**
