### WELCOME TO NIGHT TO END HUNGER

On behalf of the Board of Directors and Loaves & Fishes Community Services staff, thank you for joining us tonight as we come together for Night to End Hunger.

Food insecurity and financial duress continue to rise, and more families than ever before need our help. Over the last year, we have seen record numbers of people needing assistance. We are now serving about 5,500 people each week. This is an 60% increase from the beginning of 2022.

The good news is that we now can serve more clients through multiple methods: grocery market shopping, online ordering, and curbside pick-up. The other good news is that the more families struggle, the more our community steps up.

We are committed to our mission of providing healthy food and impactful programs to help our clients reach self-sufficiency. Your generosity this evening is very much appreciated and is vital to the success of our mission.

We are honored that you've chosen to spend your evening with us, and we hope you enjoy our event. We very much appreciate your support.

With gratitude,

Mike/Havala President/CF

# TONIGHT'S EMCEE Dionne Miller

Dionne Miller joined the ABC 7 Eyewitness News Sports team as weekend sports anchor and reporter in October 2014.

Vice President of News Jennifer Graves commented about Miller's expertise in the sport arena, "During her time here in Chicago, Dionne Miller has built a stellar reputation as an aggressive reporter who tells great stories and connects with viewers. She has a passion for sports and it shows. We are thrilled she's joining us and know she'll be a terrific addition to the ABC 7 sports team."

When Miller first started reporting sports in Chicago, she hit the ground running. She was assigned to cover opening day at Wrigley Field, and simultaneously fell in love with the city and its fans. She's since covered it all, from the Bears, to the Bulls; the Hawks to high school sports.

Most recently, Miller was at Fox Chicago where she worked as a sports anchor and reporter since 2012.

Prior to that, she served as host for Fox Sports Ohio, primarily covering pre and post-game shows for the Cleveland Cavaliers from 2010-12. In addition, she served as a college football sideline reporter for the Big Ten Network.

She was the main anchor of the "Columbus Sports Network" (WCSN, Columbus, Ohio), after reporting sports in Sarasota, Florida; San Diego, California; and, the New England area.

Miller began her career at KSVI/KHMT in Billings, Montana, serving as sports reporter before moving on to WPTZ in Burlington, Vermont, as weekend sports anchor.

Miller is a true sports fan. She jokes, "When not working, I enjoy watching sports, I know, shocking!" She also loves family, friends and good food.

Miller is an Ohio native. She and her husband have two young children and enjoy calling Chicago home.

A HUGE

# THANK YOU

TO NAPERVILLE >

After working for a few years out of basements, libraries, and Starbucks across Chicagoland, our company of three employees opened a small office in downtown Naperville in 2013. We were welcomed with open arms, and have since grown into a team of 700+ amazing employees while helping other small businesses flourish along the way.

There's no question the last two years have been a challenge for all of us in different ways, but organizations like Loaves & Fishes and the support they receive from neighbors like you prove that this community is engaged, resilient, and deeply caring. I'm proud to call Naperville not only Dealer Inspire's HQ, but my home.

Like every community, there is much more we can and must do. More than ever now is the time to have empathy and to give back. Thank you, neighbor, for joining Loaves & Fishes in that mission.
